Dr. Burnham's SANTAL-MIDY

Vegetable Compound The Greatest Known Cure FOR HEART TROUBLE

Corrects diseases of the blood and body fluids or an unequal mixture of the elements of the blood and nerve juices or a distemperature when some humor or quality abounds in the blood. Symptoms of diseased blood and body fluids are throat disease, eczema, scrofula and pus formations in the tissues, skin and vital organs.

YOU CAN BE FREE

From kidney and bladder trouble, cancerous humors, rheumatism, stiff joints and muscles, old age or tired feelings, throat, stomach and bowel troubles by its use, or money refunded.

FINK & HAUMESSER

Druggists Wauseon, Ohio

NO MORE BACKACHE NO MORE MISERY

If you suffer with pains in your back and sides or have any signs of kidney or bladder trouble such as rheumatic pains, puffing swellings under the eyes or in the feet and ankles, if you are nervous, tired and run-down, or bothered with urinary disorders, Solvax will quickly and surely relieve you of your misery.

Solvax is the most potent remedy yet devised for ridding the system of uric acid and driving out all the impurities which cause such troubles. It neutralizes the uric acid, and makes the kidneys sift out all the uric acid and poisons left by the blood, and renders the kidneys and urinary organs clean, vigorous and healthy.

Read & Wager the popular druggists, says that no medicine ought to be paid for unless it does the user some good. They therefore sell Solvax under a positive guarantee to quickly relieve the worst cases of kidney trouble or refund the money.

Try Solvax today and if you cannot see and feel a decided change for the better just go to Read & Wager and tell them you want your money back and they will return it without question. This is the strongest argument that can be offered in behalf of any medicine.

CONTINUED LISTS

Additional Names of Soldiers Who Enlisted From Clinton and Dover Townships—Last Call for Corrections or Additions To The Clinton and Dover Lists

Following are additional lists of soldiers who lived in Clinton and Dover townships at the time they enlisted in the Union Army in the sixties. These names will be added to the lists as they have already been published in the Tribune. These lists are held in type in this office after Friday November 5th they will be corrected and final prints taken of them so that the metal may be used. Any corrections or additions to either of these lists must be in our hands before the date mentioned; send any information you may have concerning them to Miss Kathryn B. Weir, Secretary, Wauseon, Ohio, and do it now.

There are still ten townships to be heard from. Is yours one of them? If so, are you interested? If you are don't wait for an invitation or an appointment, get busy collecting a list of the soldiers of the sixties who lived in your township at the time they enlisted in the service. It doesn't make any difference where they went to enlist, the question is, were they residents of Fulton county at the time they enlisted? We have not been asked by Mr. Bayes to advertise him, but for the benefit of those who really want to help in this matter, who have public spirit enough to do all they can to help along this work and make possible a completed Soldier's Monument in Fulton county by May 30th 1916, we wish to say that Mr. P. H. Bayes, Adjt. of Leisure Post No. 35, Brookline, Mass., is capable of getting your township list in shape and his services may be secured by paying him a reasonable compensation.

Business Instinct Required.
It may be said in passing that combined with the first form of failure there are two others, lack of business instinct and business experience. And these three are frequently augmented by another equally dangerous in business, and that is engaging in a business of which you have no knowledge or experience in. No man can hope to succeed in any line of business where his principal qualifications are assets and ignorance.

But without question the most pronounced cause of business failure in any line or in any community is that of lack of patronage. No business concern, professional man, church or school can long endure without patronage. Heaven's eternal wisdom has decreed that man should ever stand in need of man.
